EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Please cancel the following claims 10-13 and 23-35.

Allowable Subject Matter

1. Claims 1-9 and 14-22 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art alone or in combination discloses "a first coding unit which is arranged to receive the modulating signal and to generate a first control signal for controlling a first switching stage, the first control signal being related to the value of the modulating signal; an error determining unit which is arranged to determine an error signal resulting from the difference between the modulating signal and the first control signal; a second coding unit which is arranged to receive the error signal and to generate a second control signal for controlling a second switching stage, the second control signal being related to the value of the error signal."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
